

Cleanliness is next to Godliness...

What better opportunity to uphold this deep rooted value in a small way. Especially when, cleaning and maintenance is the very purpose of Kam-Avida's business...

KAM-AVIDA ENVIRO ENGINEERS PVT. LTD. Pune, market leaders in manufacturing of Drain Cleaning , Garbage Compacting & Road Sweeping Equipment, deployed their chassis mounted Sweeping Machine KAMSWEEP 650C for four days to undertake the sweeping of roads after the arrival of Palakhi in Pune as SEVA and Social Responsibility.

Kam-Avida feels eternally grateful to Pune Municipal Corporation for giving them an opportunity to be of service for such a noble cause.

Kam-Avida has today more than a 1000 users nationwide to include all major Civic Bodies and Private Municipal Contractors.
